# READY TO START YOUR MONEY-MAKING SIDE HUSTLE?

Brainstorm side hustle ideas based on your skills and interests. Pick 3 side hustle ideas from your list that interest you the most and jot down why they interest you or how you think you could make money from them.

## What's your DREAM side hustle?

Out of the money-making skills you listed, which ones stand out? What does your ideal side hustle look like? What are you doing and how much are you earning?

## Narrow down your list of side hustle ideas

The best side hustle for you is something you enjoy + something that makes money. So ask yourself these questions to choose the right side gig for you:

- What am I most interested in?
- What am I good at?
- What could I do long-term and not get bored?
- What has the potential to make the most money?
- What's realistic, based on how much time I can put in?

## Which side hustle did you choose?

By now, you should have an idea of which kind of side hustle you'd like to try. Write down how you plan to make money here.
